# One Block Illusion Quilt

54" X 54" finished

One Block Layout.  
Quick and Easy to piece.  
So many possibilities.

If you ever wanted to make a vibrant, colorful, Illusion style quilt this is your class! Fabric needed to make this quilt will be pre-cut and kitted allowing you to go right to sewing and design. All the blocks will be sewn together exactly the same, only the colors will change. Once your blocks are complete you choose how you want to layout your design. There are SIX different layout options you can choose from. The image shown above is one of the six you will be able to make.

You will learn how color and rotation play a key role in the overall look of your quilt. Once you have taken this class you will have the confidence to go home and play! Experiment with different layouts, rotate blocks just to see how it changes the "look" and create quilts you never knew you could!

Kit includes:

- ♦ Printed pattern with complete instructions to piece this design.
- ♦ SIX different layout options using all the same color & quantity blocks
