

"Kiss" and Piece Perfectly No PINS required!

Do you struggle to get those seams to match when you are piecing? Do you find that your points never quite match the way you want them to and you are frustrated that your hard work does not have better results? Those days are over!

This class will teach you how to "kiss" your seams and get great looking results. Learn my "kiss" technique of piecing and assembling your quilt to get great results everytime! My foolproof method will show you how to piece perfectly without pins, without pressing seams open and without frustration! You will be surprised how easy it is to get great results all the time with these simple techniques. Works on piecing straight and curved pieces, blocks, sashing and borders. This skill will help you create better looking quilts without stress and turn you into a happier quilter!

Kit cost: \$20.00

Includes various shapes and size block units which we will use to piece together blocks. Written instructions for my "kiss" method and a VIDEO link to my YouTube channel with a video demonstration you can watch anytime to refresh your memory after the class is over.

Supplies for class: Standard sewing supplies (scissors, cotton thread, machine needles, seam ripper, straight pins (optional)). All fabric needed for class is included in the kit.
