

Window Pane Panel Wall Quilt

Learn how to turn any
panel into a "window pane"
wall quilt.

Bring your favorite pre-printed panel and turn it into a one of a kind "Window pane" Quilt. We will use my "On the Way to Cape May" quilt as the inspiration for making your unique version of this fun pattern.

Choose either a vertical or horizontal panel.

Approximate size for panel: 30" X 44", can be larger or small by a few inches.

Also known as "attic window", this class will teach you how to:

- ◆ Measure and cut your chosen panel into sections
- ◆ Cut the strips and shapes needed to create the "panes"
- ◆ Adapt the technique to fit any size panel.

Kit COST: \$40.00

Kit includes:

- ◆ Detailed printed pattern with illustrations and all measurements
- ◆ ALL the pre-cut 2-3/4" & 1-1/2" fabric strips you will need to create the "window pane" section of this project. (Windowpane colors will be grays and beiges similar to colors shown in image)
- ◆ Kit does NOT include the panel. Bring your own!
